Harry, get me on the phone first. You need to get before you a copy of our itemized bills, which is what I assume Richard has been reviewing, so we can make some comments or decisions.

Yes, and I would like to be on the phone to respond to any questions, because if we don't resolve this on Tuesday, it won't be resolved short of getting a ruling from the arbitrator. How about a call at 11:30am ET?

Rich: I am sorry that I missed you on Thursday morning. I did try to reach you all afternoon and on Friday. I never heard from you. Can you give me a time on Tuesday that works to talk? We have a firm Executive

Committee meeting on Tuesday night (due to the holiday) where there is an item regarding instituting an arbitration over the fee issue on the agenda. We need to talk before then.
