Subject: Dive into dark matter with Justin Khoury

Date: Thu, 16 Mar 2017 15:31:33 +0000

World Science U is thrilled to announce that our latest Master Class is now available:

New Ideas About Dark Matter

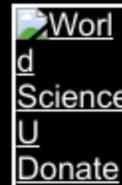

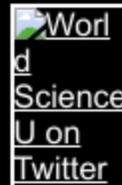

Dark matter remains one of the biggest unsolved mysteries in physics. We know *something* is there, but what is it? How does it behave? Join **Justin Khoury**, professor of physics and astronomy at the University of Pennsylvania, as he takes you to the interface of particle physics and cosmology to explain his radical new idea about the fundamental nature of dark matter.
