Did you have extensive damage? Buildings or just trees? Flooding?

I ask Rebecca to send you the name of the screening room guys David Geffen and Calvin Klein used and they would know who builds the building...and they do the interior work. Did you get it. Was it useful? Where are you with that project?

Andres will send you all the invites for next week. We had five this week. Not sure about next.

At the Toronto Film Festival. Seeing three to four films a day. Working on all the best ones. Back Wednesday.
xoxo Peg
