Hi Jeffrey,

thanks for reaching out. The voting will close at 10 am EST (22:00 Mongolia time). As of 17:00 countrywide 45.6% voted. Compared to 2016 parliamentary election this was 2% lower.

On Saturday Battulga performed very well on the staged debate from MPP side. If election are fair, Battulga has most public support.

MPP is attempting to steal in many different ways. But, there's a strong public awareness of not letting to steal the election. People are viewing this election as the sovereignty election against crooked politicians ready to sell anything.

Elbegdorj and all around him might go down as people that have committed treason. Worst reputation in public.

Pls see below link for Battulga voting just a few minutes ago.

Also providing his campaign YouTube channel. 90% of media closed any coverage for him. The whole campaign went on social media and YouTube.

We will know results by the end of today. Thanks for your interest and support.

Best,
Ganbat
