What is the most interesting cricket stat ever?

755 Shreyans Mehta, Happy to just Be

 That Ajit Agarkar is just 5 wickets behind Shane Warne in ODI wickets and he has played 3 matches lesser than Shane Warne!

Edit : The difference is glaringly huge when we ... [Read More »](#)

How was the PDF format created?

566 Alan Tracey Wootton, I wrote the first version of Acrobat,...

I was there for the whole thing.

It was the 90's and Adobe was doing well. In addition to the Systems department which handled the Postscript business there was an Applica... [Read More »](#)

What are good ways to handle rejection in life?

2.9k Rohit Nair, Shit happens... for a reason.

I was 24 and all set to get married to my college sweetheart; ready to be accepted into a family of like minded individuals and accept a new set of parents. At 24 I was qui... [Read More »](#)

What are some things that programmers know, but most people don't?

376 Thomas Tydal, developer (php/mysql/java/c/objective c)

- Digital content can never be moved, only copied.
- You can never watch or listen to anything on the internet without having it copied to your computer first.
- You cannot passwor...

Is "Between Two Ferns With Zack Galifianakis" real or staged?

113 Scott Aukerman, produced/ directed the interview, co-...

It's as real as anything in a way. If you watch a talk show, the talk show host knows what they're going to talk about most of the time. They have done a pre-interview wher... [Read More »](#)

If a meteor half the size of earth were approaching our planet, would we possess the firepower to neutralize the threat?

1.2k Robert Frost, Engineer with specialization in space...

Fortunately there are no asteroids in the solar system that are anywhere near that big, but should one appear, no - we do not possess the firepower to neutralize that threa... [Read More »](#)

What does it feel like to be fat?

357 Jessica Su, to be brief

 I'm 5'4" and 163 pounds, which makes me clinically overweight.

For the most part, I don't care. I have more important things to worry about, like my grades and my TopCode... [Read More »](#)
