Message (done) , typing (in progress) I don't see cooking being helpful for you as you have no interest in food
But would you like me to take specific cooking classes ?

Jeffrey , what does mean never asked ? I have asked you and Karyna yesterday if I can help and today.
Sorry I wasn't helpful in organizing this trip and yes you were right about classes I admit it. I highly
appreciate your help and will do anything you ask or need. I don't want you feel disappointed about
me, it's hurtful ... (((what I can do to make you happy or be more helpful?

you should know that i am ver very dissapointed . i have not received one message that asks what
you can do to be helpful, you did bring sweets and i appreciate it. you have not learned anything
that is beneficial to me for over a year since thai massage. I am there when you need anything,
and you have little trouble asking for what you need. howevr when it comes to doing something
for me , you never have time, you are swamped taking classes that i told you not to take, took
toomany classes that i told you were too many , and ignore everyhthing except your school that
unfortunately will not enable you to get a job.
