I spoke with rich Barnett yesterday. He is going to work for cushman and Wakefield looking after citibank branches. He is going to be working from home. He is only giving us 1 week as he begins his new job march 3rd. He said he would continue to monitor house and or do repairs on weekends if you would like.

I also spoke with Merwyn and told him you would like him to replace rich Barnett. I asked him to provide me with his current compensation package so we know what to offer him. He is going to to take off wed Thursday and he is off Friday to overlap with rich Barnett.

Merwyn was concerned about official start date has he would like to give proper notice to his current employer.

Is there any particular items you would like rich Barnett to follow up with this week.

Mr. Epstein. I would like to thank you for the past 18 years of employment at 9East 71st Street I want you to know I always looked out for your best interests as Property Manager/Chief Engineer and was happy to be part of your support staff. But due to lack of advancement in my position ,no cost of living salary increases for many years and the termination of the year end bonus . I felt it was time to make a change . I have accepted an offer that will be better suited for my professional growth in the Property Management field . I will contact Rich Kahn Monday to discuss the details. Thanks Richard Barnett
