This email is intended to serve as our attempt to comply with the Court's Order Setting Jury Trial and Directing Pretrial and Mediation Procedures, Section II. D. We have already discussed that there is no possibility of settlement, and I am sure that we will have the same problems with narrowing the issues and stipulating to facts and issues, but I am open to suggestion.

Finally, attached hereto is a document containing our objections to your trial exhibits- which we will have to file with the court with our pre-trial stipulation, which is your responsibility.

Under separate cover I will send you a specific list of the documents that we have not received in this case. Our request for these items is in no way to be considered a waiver of our objection to your use of them.
