UBER NYC

Hey Jeffrey,

Uber kept you cool this summer with ice cream on-demand, and now we're sprinkling the holiday season with a little bit of magic. So pour yourself a cup of hot cider and watch your app while Uber does the heavy lifting. Our sidewalks are crowded enough without people carrying trees.

With the help of our friends at **The Home Depot**, you can request an UberTREE to your doorstep in 10 US cities: Atlanta, Boston, Chicago, Dallas, Los Angeles, New York City, Philadelphia, San Diego, San Francisco, & Washington DC. Get all the details [here](#).

## HOW IT WORKS

- Between 11am - 8pm **TOMORROW**, request an "UberTREE" on the Uber [iPhone or Android](#) app. Time it right, and a tree will be delivered to your front door within minutes.
- **UberTREE Cost** = \$135. Order includes a 7-8 FT netted tree, tree stand, Uber gift, and delivery costs. (These trees are for keeps, so no refunds.)
- Trees will be delivered to the first point of entry at your **request** location.
- No cash required! Your UberTREE will be charged directly to your Uber account.
- Demand will be **very high**. Check back often if your first request is unsuccessful.
