Jeffrey:

Here is the latest update around the sale of the Daily News:

Jason Robbins is the CEO of the Daily News. He has stated that they are not discussing publicly the sales, and / or any specific terms. The sale is being brokered by Cribb, Green, and Associates which is a mergers and acquisitions firm that specializes in the media industry.

While the Cribb, Green, and Associates firm is available to address inquiries and I have some of the basic contact information for the firm which I have listed below, the real question is whether, or not, we should pursue other connections, or channels, to collect more information around the sale where it may be possible.

Cribb, Greene & Associates

104 East Main Street, Suite 402
Bozeman, Montana 59715
Phone: 406-586-6621
Fax: 406-586-6774

John Cribb, Managing Director / Email: [REDACTED]

Gary M. Greene, Managing Director / Email: [REDACTED]

A referenced above, the question at this point is whether or not to pursue other back channels to the parent company which is *Times Shamrock Communications* to find out any other information around the sale of the VI Daily News and whether or not, it is worth your pursuing at this time.

If this is something you do want to pursue and / or if the other items in the Memorandum I laid out for you are something that you wanted to a closer look at, we should probably have a phone call or Skype session to go through the next steps.

Let me know what you want to do, I am dealing with an endorsement process up here in the Boston Mayor's race but should around most of the week
