Subject: external attendees: Is the Universe Necessary?
Date: Sun, 01 Dec 2013 18:56:48 +0000

Here is the confirmed list of scientists attending our workshop, Is the Universe Necessary? As you know, Wilczek, Gross and Schmidt are nobel prizewinners..(Martin Rees, as is his norm, just backed out today so I removed him from the list although he was supposed to be coming..

This is a very strong group, and should be an interesting set of discussions...
