Got to talk to two members of groups and one head of group (Henry Liebermann). I suspect that there may be substantial overlap of interests with Deb Roy (himself traveling this week), and Josh Tenenbaum (MIT AI Lab). Furthermore, Marvin emphatically pointed me towards Patrick Winston (MIT AI Lab), and I will have to read up on his recent work and get in touch with him.

The energy and buzz at MIT is mindblowing. Also, Martin has assembled a great group at Harvard. A lot of inspiration from just two days, and more to come.

More soon, thanks! and bests

Joscha (currently on the flight to University of Southern California/ICT)
