Jeffrey,

I would be grateful if you would cast your eye over the attached. It is a fund set up by a childhood friend of Lars Thijs Hovers (who now lives and works in Greenwich). Thijs thought it would be a good idea to connect his fund to our contact base and hence the Bern Lucerne Fund was formed.

Given your huge experience in this world, I would value your opinion of it. You might know one of the founder investors Michael Levy (who used to be very big in Credit Suisse First Boston) and also Robert Bass has invested through his Oak Hill Capital Partners fund.

In any event I would love you to meet with Thijs Hovers and wonder if I could set up a meeting?

As ever,

Mark
