Good Evening Mr. Epstein,

Attached is the New Timeline for LSJ Construction projects. I am trying to find another floor contractor as Pokey has missed 4 days now and it is unacceptable. Until one is found the floor is going at a snails pace. I am going to talk to the contractor at Southern Trust tomorrow. This may allow us to complete your floor faster - no promises on this one though!

Please review and feel free to comment.

I will share with Danny, Chris and Anna once you comment & approve.

Have a good evening!

Best,
Leighton
