Testimonials

'There are only two types of speakers in the world: 1. the nervous and 2. liars.' Mark Twain

'The course was excellent. Very dynamic with excellent teachers. I felt like we covered a lot of ground.'

Following the huge success of our debating courses for adults earlier this year, **Intelligence Squared** and **Genesis Debate Programmes** are delighted to announce another workshop this autumn for adults who want to take their speaking skills to the next level.

'I would definitely recommend the training – it's great to be in a safe environment with like-minded people.'

Whether [REDACTED] like to express yourself more persuasively in everyday life or boost your ability to speak in front of a crowd for professional purposes, our team of expert coaches will work with you in small groups, teaching the skills of formal debating to help you up your game. You will learn how to craft an argument and get your message across with impact. You'll improve your ability to think quickly and creatively under pressure, and respond to challenges with resilience and poise.

'The training will greatly benefit me in my day to day work – and I intend to roll it out to my team members in the future.'

'The instructors were excellent speakers themselves – engaging and encouraging, and truly listened to everyone's speeches.'
