The questions with the red asterisk are required. I only answered required questions. On page 2, they ask if you have ever made a contribution to a Jewish day school before. I answered "NO" but I really do not know the answer. If it is "YES" and you want to answer yes they ask another question below it re your largest previous gift (this will also change an answer on page 4 asking if you have ever considered making a grant of \$10,000 to a Jewish day school before now)...

Please advise if ok to send the way I have answered the application.
