Ok, I will be out at an investors meeting, just email me when you are free to talk and I will step out since it should be easy to do at this location. Otherwise I'll be in all day Thursday.

1-I spoke to Ralph Lerner re setting up new Art Foundation. He recommends a Delaware corporate 'lending foundation' which has a mission statement of lending art to museums. Leon could donate several artworks that are presently out on loan and get credit for the charitable donation. Was this what you had in mind? Where are you on the thought of whether this will work in a tax context?

2- Larry Gaugosian is traveling. Ralph hopes to connect with him tomorrow and will be back re the exchange. He said it is challenging to arrange at this \$ level . Loan we would have to make would be unsecured – presenting a further challenge re the 'right' party.

3-Ada definitely is interested in coming but I have more color on her comp and what it would take I would like to share with you when you next time we speak.
