Did you see this cunt Andrew Saffir posing on the red carpet?

He went to Sony Classics and said he had fashion money. He lied. He went to my client, The Hollywood Reporter and get the money.

I called Rob Weisenthal, CFO of Sony this morning and told him...that Andrew Saffir told Sony and Woody that Woody could not invite me.

Andrew is a slimball who deserves to be but fucked to death. I did not want to go anyway and will never see the film.

I am sure Andrew will get plenty of press for himself. The cast alone I sensational and they all came.

Call me...or I will call you in the morning. Peg
