Greetings Mr. Epstein,

Yesterday morning Walter Bostwick of First Resort Painting came to the office to inquire on the status of payment for Ceiling Painting work his company performed in 2010. Specifically, per the contract of August 24, 2010.

Attached for your reference is the cover letter he submitted to LSJ on March 22, 2012, and copies of Invoice 1469, the contract, and all supporting documents associated with the vendor and this job.

If Mr. Bostwick should return, or call, what would you like us to do?

Respectfully,

Daphne
