Jeanne;

RE; 9 staff

The cement pad crew will be finished tomorrow. (4pp)

Shane only worked 2 days last week. He is finished (1pp)

The cable pulling crew will be done Thurs/Fri. (2 PP)

Shirimo is on staff for the near term. He replaced mechanics that were termed. After all construction equipment is gone we can re-access his position.

Felito Joseph (little buck) is a temp employee. He is filling in for the driver that was termed. We need to train a driver from existing staff and get then licensed.

Attached is e-mail on cable pullers.
