hi!
not sure about when in NYC but really want to
crazy around here....

[REDACTED] says he doesn't about new mexico know since the product stuff is in full swing so he is going week to week

boris wants to come to new mexico (he says tom ford lives next door to your ranch, so you can guess...) but he can only do
14,15 and the event is 15,16.

i did something grown up last week.
i was sick of looking at [REDACTED] 10 year old prius. so i secretly ordered him the new tiny little prius c (new model).
while he was at yoga, i took his car, traded it in and paid cash for his new one.
so he came home to a new little car.
it is in MY NAME which is pretty hilarious.
he is thrilled and loves the car a ton.

i also bought a level 3c armored truck. for me.
