Hi Leslie,

Attached are more photos. Also this link from www.edge.org has good content on Jeffrey's gravity conference held a few years ago. It also includes a video. Could you spread this info out? <http://edge.org/conversation/the-energy-of-empty-space-that-isn-39t-zero>

I am writing an updated piece on it and will send to you.

I am waiting for the complete list of Jeffrey's foundations so that we can add variety to his website titles and blogs which as you said, will help pull them up in the search engines.

His blog right now is: www.thejeffreyepsteinfoundation.com I'd like to get it on the first page but will need another foundation name for it.

thank you!
