Jeffery,

Hi, hope your having a lot of Belarussian fun!

Please read the attached. I'm going to own this with Cesar Millan 'The Dog Whisperer' with the help of one investor. I will get this on the air, and we will own all foreign, syndication, toys&products etc. I want to be in the position to own and control to maximize the returns and not give it away to a studio.

I'm going to produce a low budget sizzle reel at the end of April so I have to move fast.

Let me know if you want to consider, discuss, and be the investor. I'm offering this to you 1st.

Best,
Barry J
