I am recovering from the eyelid nip/tuck and chest lift nicely. I wanted Audrey Hepburn boobs, but Jerry Imber does not do that. I got healthy sexy perky boobs....but I still have two purple eyes and get tied a bit.

Went to Susan Gutfreund's for dinner Saturday night with very rich, very weird people from very far away countries that you will never see again..... (husband John is fading) and came to Millbrook yesterday to see Blaine Trump and new handsome BF Steve...and had dinner across the street at Dr. Jerry Imber's...can't stay too close to your surgeon.
This morning I went back to Imber's to have stitches out. Don't ask...

I am going to Barry and Diana Levinson's in Redding for lunch....
and to Maily and Peter Smith's Easton, Conn. for dinner and sleep over.

Wednesday, I head to Palm Beach to Julia and David's...till Jan. 2nd. Not sure how much running around I will do but everyone in PB has had plastic surgery...so my look is normal.

I do look like a battered wife...or just an abused single person....so I am only seeing people I really know well....have not been around New York in ages at Christmas time. It's very relaxing.

Calling...on American cell...or give me a better number.
Hope you are well.

Did you ever hear of Woody Brock? A economist from Harvard. He just wrote a book about economic solutions the left and the right can to.
Will send it to you.
Working on a media book party for him.

Have a lunch for Stephen Daldry Jan. 4th., a screening of great Iranian Sony Classics film, "A Speration". (Which will win the Oscar) on Jan 5th, an art opening for weirdo Ed Schlossberg downtown Sat., Jan. 7th and a lunch for "The Artist" on Monday, Jan. 9th.
Miss you. Beyond jealous you are in the sun. Have been trying to email, text and call Mattie Siegal for five days? Have no idea where she is...

Really miss not having a world travel life changing experience with her....but will have the enjoyment from "body work" for years.
Thank you for stopping the clock...and making me still visually competitive in Hollywood.
Miss you...xoxo Peggy
