[REDACTED] says Louella sent her the list via email but Louella did not ask her to print and give to you...she was under the impression Louella would have printed and given to you herself. [REDACTED] thought Louella was giving her a list so she would have it as well.

[REDACTED] will print the minute she arrives (in about 10 minutes...she had gone up to see Bella to get some Euros)

[REDACTED] does not have Story's cousins details...she will have to work on getting them.
