You also have my assurance that there will be no service attempts and that these settlement discussions remain confidential.

As we did last time, please send over the settlement papers asap as well as assure me that the money will be wired to our trust account fairly quickly (I believe we have received within 7 days of settlement papers being signed in the past). If you are out of the office and thus would prefer my office to prepare the papers and send them to you, then we will do that consistent with those prepared in previous cases.

My primary issue right now is time, so I would propose setting this Friday (July 29th) aside for us to meet in Palm Beach. I recommend Jack Scarola's office. Just me and your client in the room, but in case any attorney client type issues arise I would like for Jack to be nearby without him needing to block off his schedule.
