Jeffrey,

Just wanted to bring your attention to some of the carelessness on LSJ.

Brice sent a request to purchase Erosion protection to Jack from American Export and when it got delivered to LSJ he realized he ordered the wrong stuff and really wanted to order Jute Matting for landscaping so we had to ship it back to the states and get it to the vendor who charged a stocking fee of 20 percent and gave us credit for the remaining \$3,750. So we ended losing \$3,078.58 in this whole process for this one purchase.

Rich and I would really like to speak with you when your back in NY about the goofiness that is going over there that is costing you money.

Thank you
