

NON BINDING ROUGH ORDER OF MAGNITUDE ESTIMATED PRICING

This non-binding Rough Order of Magnitude (ROM) pricing is provided for planning purposes only. Prices are predicated on delivery within the calendar year specified; delivery is subject to availability at time of contract award and U.S. government export approval as required. Actual prices will be based on the final aircraft configuration, aircraft availability, CY delivery of aircraft and other services contracted by Customer. BHTI would be pleased to furnish a Purchase Agreement with firm pricing and schedule information upon request.
