Need to figure out how much of this can be shared publicly
How much does your plea allow for a review of the facts etc
The material is adding up

wild the govt puts out the statement that the "main victim " swore under oath , that she lied about her age, had a fake id. wanted to marry me, and i had done nothing wrong. she said that she brought friends many over 18 , and those that werent she told them to lie about their age. (not in keeping with someone searching for underage girls). the adnrew accuser admits she made a mistake about her age. though she was told that making herself younger would sell more of the " book " she was trying to sell. SO Weird . for the legal point the govt said they did not want any " impeachment evidence to surface. WHOLLY improper. . like saying there is a witness who says they saw the guy who robbed the bank , not he one the govt had charged, and the govt tries to not let " impoeachment evidence be heard "
