Sir

I do an incredible amount of work for you off the clock and even people making 30 k a year pay my \$110 an hour rate without hesitation But again RICH KAHN demands I explain every detail of my time that no other client demands and when I continue to attack requests to the head of Sony or whatever..... these these hours go unbilled so when RICH KAHN DELAYS PAYMENT ON WHAT AT MOST COULD BE an \$85 dollar mistake But it Never is EVER EVER MY MISTAKE billing is always in your favor The New Mexico trip alone I under billed by over \$1000 dollars

You guys show me invoices with techs getting \$150 an hour and the day I knocked on your door you paid. \$180 an hour for me You can all out debate mefine you can't out debate me if I don't show up

It is so insulting to be bullied by that guy Jeffrey I would rather move on This issue is beyond words... I help you and your team with all my and heart and soul and stop my personal life to make you first and what is my reward to be grilled and advised by a petty dictator who must do great for you somewhere because he puts me through hell every time

THERE HAS NOT AND NEVER WILL BE AN OVER BILL ON YOUR ACCOUNT It's impossible ITS NOT HOW I WILL EVER DO BUSINESS WITH ANYONE AND IN YOUR CASE I GO TO SUCH EXTREME TO THE OTHER SIDE Look I am upset and I don't want to waste your time Good luck finding anyone who will do what I do

I honestly dont know why after all this time I am dealing with this so I quit

And the second I did my phone blew up with new clients who want to pay me (PLEASE UNDERSTAND NONE of This anger is directed to you ... When I calm down you are welcome to invite me to your home and I will as a friend answer any question honestly for free)

But the man who represents you has played me to shave a penny and I will not play his game So unfortunately for you I will not return to work without A BIG CHUNK OF CASH HANDED TO ME AS THE SORRY I MADE YOU DEAL WITH RICH KAHN TAX you don't work for him you work me and answer only to me... Again Jeffrey weather you value my late nite emails or not it shows i care about you as a client and am trying my best to make you happy in a sea of RIP OFF ARTISTS I AM NOT ONE OF THOSE GUYS I DONT OVER BILL OR STEAL FROM YOU EVER

Instead I underbill and give to you

I am just done with the whole thing it's killing me to live under rich KahnS spit Again I am sorry you had to read this hopefully you didn't get this far saddens me to think I wasted a minute of man I admire so much

I will be ripping rich Kahn checks up and sending back to him just to make the point really clear

Good luck man hope you find someone great you deserve it

Scott
