Jeffrey,

Newport RI has a small airport, Newport State, short Runway 3000 ft only,.

the military airport you mentioned is called Quonset North Kingstontwon State airport, with 7500ft runway, However, they are under construction on runway and length is shorten to **4850 feet** long, x 150 wide, its possible length "if you have to go".

Flight time Quonset RI to Montreal 260 miles +46min flight time,.

Flight time Montreal - Teterboro +50min 280 miles,.

flight time Teterboro - Quonset RI +31min 130 miles, . could be little longer with NY routing.
