Hi Brice:

Sad news on Mother's Day, one of the pups got out and got into mouse bait. I am down to one pup. He was such a nice critter. The other pup will bring a smile to your heart. I am so depressed!

I'll try to air ship the pup from SGF to ABQ or whatever the airport code is there. I will try to confirm booking and air ship him. I wanted to provide my wife & son at least a mini-vacation even if in the seat of the car. As a dog breeder, we don't get vacations!

To book reservations I need to confirm the identity of the person picking up the pup and the ID that airport personnel should check to verify person picking up pup is the the correct person. I have:

Brice Gordon

49 Zorro Ranch Rd

Stanley, NM 87056

Ph: [REDACTED]

Hopefully that matches your ID if you are the person picking up pup.

I am so sorry as it is not just \$1500 loss for me, loss of a trip opportunity but he was a good pup! You will know by this pup why I am so heart broken! I wish I could have shipped them when they were 8-12 weeks! I understand you were gone and such are the events that have happened.

As soon as you let me know the correct information for booking reservation, I will attempt to get pup to you ASAP! FAA requires air temps to be below 85 degrees at any point of the transit while pup is at that location. DFW gets hots early so I suspect a late AM or Noonish flight mid-week.

As soon as I book reservations, I'll take pup to Vet for a Health Cert, again I need to have matching name & address. I'll scan & email a copy of Health Cert as soon I get back from the Vet.

This SUCKS! I am sorry!

Hi Brice:

Right on! Done Deal! You get two pups one way or an other!

I suspect they + crate & accessories will be exceed 100# by May! I anticipate hand delivery to you! I will try to work the best time of day to depart hopefully aligning a great delivery time!

I returned home a few minutes ago & verified deposit, edited web site I suspect to your liking & those involved. See: http://www.greatdanes4u.com/CurrentPuppies.asp#**** Litter 4 **** as well as the page: <http://www.greatdanes4u.com/CurrentPuppies.asp>

for text color change, anything mentioning available per litter is gone and going to: your organization listed as Sante Fe for as much annimity, (too bad I can't spell), as I could produce while specifying they are your pups!

I'll work on getting updated "Pair" photos ASAP. Winter is returning so it might be a couple of days but, I'm working on it!

I feel these guys are spectacular and I will maintain medication levels that I do for International sales. I hope I can get continuous photos through time as some clients do.

Thanks for giving two of my babies a Happy home!
