 NeueHouse

Magnum Photos Forum Tuesday, June 24th, 6:30 – 8 PM The Gallery

To celebrate Neuehouse's partnership with **Magnum Photos - NH** is hosting the legendary photographic co-operative's 67th Annual General Meeting - join us in the Gallery for an evening of spirited discourse between two of Magnum's most impassioned and talented photographers, **Alec Soth** and **Zoe Strauss**, and Facebook's Photo Community Manager **Teru Kuwayama** as they discuss the controversial rise of social media as it relates to the creative landscape of photography. Magnum Photos Creative Director **Gideon Jacobs** will be moderating the discussion.

With Magnum photographers spanning the generations - with some in their 20s and others in their 90s - there is a distinct and fervent divide between new and old schools of thought.
