RE: Jeffrey Epstein

Dear Bob:

I left a message on your phone, but I also wanted to send you this letter to inform you that Bob Josefsberg called me this morning to inquire about Mr. Epstein's cases. I told him that I was not involved in the cases in any way, shape or form and that you were handling everything. He asked me if I had any knowledge why there was apparently a hardline stance now being taken and no settlement offers were forthcoming on any of the cases and I told him I had absolutely no knowledge of anything on the cases and that would have to be handled by you.

He also tried to find out if my brief involvement was a signal of some change of strategy in the case and I told him that I could not comment on anything about the case. I just thought I would let you know.

Sincerely,

David W. Spicer
