Re: **Epstein Matter re: Jean Luc Brunel**

Dear Tama:

It was brought to my attention that Google had a number of postings referencing alleged "sting operations" directed to your client Jean Luc Brunel. Please ask Jean Luc to forward those to you. If he does not have them, I will forward you my copies.

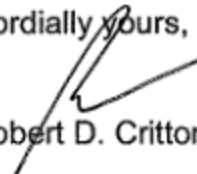

We believe that the postings on Google were complete fabrications. Shortly after the Rothstein implosion, the postings were removed. I am not sure of the process in which the postings either were made or the process under which they were removed.

If I subpoena Google, it may take me a substantial period of time to obtain the information.

On the other hand, because you represent Jean Luc and can write on his behalf, you may be able to speak with a customer service attorney who may be more likely to work with you to provide the information. This is particularly true if Google believes that false postings were made.

Please give me a call if this is something you can undertake. If not, I will proceed to do it.

Cordially yours,

Robert D. Critton, Jr.
