Darren

1. I found a contract dated 4-25-06 for engineering \$140,000 plus \$60,000 reimbursables to be signed by Amerling
2. I found a draft architectural contract no #'s. According to meeting minutes Miller and Doug were negotiating, but no documents, Bill was not included in any meetings at this point but was copied with minutes of some meetings
3. Jeffrey asked me to review Maguire costs.
4. I assume you have copies of contracts and work orders that Doug and Charles executed. None are in Monique's files. If so please forward them to me.
5. Rich can you send me the costs to date for Maguire on the office pavilion

Thanks

Gary
