**TO:** File **DATE:** November 23, 2010  
**FROM:** GVD **PRIORITY STATUS:** Routine  
**COPIES TO:** JEE; Internal  
  
**SUBJECT:** JEE/Residence/US Days

As of 11/23/10 the total number of JEE days presence in the U.S. as of 11/22/10 pursuant to IRC Reg. 937-1 amounts to as follows:

7/22/10 through 10/19/10 (see copy of our 10/21/10 memo)	41
10/19/10 through 11/22/10	<u>12</u>
<u>Total US days as of 11/22/10</u>	<u>53</u>
 (Remaining days in the year)	 <u>38</u>

Thus, if JEE spent the rest of the year in the US, he would be 1 day over the permitted 90 days. Travel plans should be adjusted accordingly and caution used to allow for "errors" in documentation.
