Dear Jeffrey,

With yearend fast approaching, I want to express my deep appreciation for your continued support in building our collection at the San Francisco Museum of Modern Art. Your wonderful generosity has, indeed, contributed to making SFMOMA one of the premier venues for modern and contemporary art. It is our community's shared dedication to art and its capacity to enrich lives that has grounded this enterprise for 75 years.

As you may recall, we review our fractional gifts with you annually as part of our ongoing commitment to stewardship here at the museum. To ensure that our records continue to be in accord with yours, please find the enclosed list of works that we own jointly. Objects displayed by SFMOMA this past year have been noted. For works not displayed in 2009, we formally waive our right to do so but look forward to opportunities to share them with our public in the future. If you have questions, do not hesitate to contact Rudolf Frieling, Curator of Media Arts, at (415) 357-4131 or rfrieling@sfmoma.org, or at our address below.

Thank you once again for your commitment to the museum's collection. SFMOMA's story of modern and contemporary art is strengthened through our partnership with you. I look forward to working with you in exciting ways in the coming year.

Sincerely,

A blue ink handwritten signature of Neal Benezra, consisting of a stylized, wavy line.
