Re: Resolution of U.S. Army Corps Issues

The following is the proposal to assist in the final resolution of the U.S. ACOE Non-Compliance and after the fact permitting. This will include any final coordination between the COE and LSJ. This does not include Section 7 consultation if required by NMFS or FWS.

We anticipate that it should take no more than 20 additional hours to complete all coordination, therefore we expect the cost and expenses should not exceed \$4000.00.

Respectfully submitted,

Amy Claire Dempsey, M.A,  
President, Bioimpact, Inc.
