July 9, 2009

Jeffrey,

Thank you for use of the New York apartment.

We have made arrangements to move out this weekend and move in with family.

We had a productive experience on LSJ and we are sorry it did not work out.

I spoke to Darren briefly this past Monday and was told we would be given two weeks severance pay.

Silvina and I worked long hours, six, if not, seven days a week to get LSJ successfully up to speed.

We are now jobless and uprooted.

We would appreciate your reconsideration of our severance pay.

You said to me you were fair.

We are scheduled to meet with Darren on Monday, July 13, 2009.
