MEMO

TO: Darren Indyke
Peter Edelman

FROM: Jay Goldberg

DATE: September 14, 2010

RE: *Molyneux, Epstein and Fancelli*

We should all be anxious to resolve this matter. I think Darren should call Peter; and Peter you should call Darren, to coordinate a time and place so that we can advise Jeffrey. I will see to it that Molyneux is there shortly before completion of the work. There is no reason that this case should proceed. And so I ask you both to try to reach each other to work this out.
