Subject: pardon ammunition

For use in the future, when I advised Barry Krischer of the terms of the plea for Jeffrey his comment was "only the Feds can extract this kind of plea" Lana was present.

The unsaid was that this was more then he felt necessary. I send this to memorialize this comment for potential pardon use in the future

Dear Roy and Jack:

I am just writing to re-state that it is the Government's position that we have a signed, binding agreement and that there is no need for further modification.

Please keep us informed of the date and time of the change of plea and sentencing.

Thank you.
