

Jack,
Gaugers son...

1. Epstein has been for eight months---no trouble.. no discipline,, no grievance
2. Not yet moved to infirmary,, I told him - this sat needs to have permit dputies notified.
3. We can extend hours,, others are out form 7am to ten at night.
4. Frankly, after a couple of weeks. We should move him to house arrest.. with the change of administration, we believe we will not get push back from the USAO.
5. If you agree, we would approach them to make certain. Off the record—Jeffreys closest friends are sitting in the white house . though he has prohibited anyone from reaching out on his behalf,, but we think it is understood..
