

brief: I Rothstein/ civil abuse. Brad Edwards , partner with Rothstein .his clients ([REDACTED] got to brad through marie (depo testimony) marie admitted adding one of his clients to the list in May of 08 - Marie does not let go. Police chief Reiter ,depo says she shared the list with him and Recarey and told him in writing , to destroy it ,only second time asked in entire 28 year career, only other time national security) . Interaction with Edwards, someone should ask marie hard questions - sloman has been getting bad info. false allegations of me violating state probation ,she said i had been stopped 8 miles from office Total Bullshit. I had specific permission , to walk and it was less than three miles and less than an hour walk. -with re ;Sheriff, marie went to visit the morning after sloman promised no more involvement. She went to that state prosecutor to prohibit transfer, Joseberg fees. BJ told you , marie calls him about his fees- all girls,ALL so far admitted prostitutes strippers massage parlor . The NPA expires in seven months ., Lets agree that all conditions have been SATISFIED .Let the state do as it pleases. (though frankly marie is now successfully goading the state into action). I am willing to sit with him, FACE TO FACE.
