Hi again. A while back I had asked if it would be possible to continue doing massages for the [REDACTED] company with another grant. At the time you had said that you wouldn't be able to give them another grant until you got back. Would this still be possible? All other things I'm working on right now are very uncertain as to whether I will be making money from them soon and need to find something reliable super soon. Would you be able to help at this point?

Also, should I have [REDACTED] email you any way?
