I think I can see u only on friday cuz Ben is working then..I feel kinda weird about the whole situation. I hate to lie to him about going to ur house cuz I know that all the truth will always come up sooner or later..that's for example why I never lied to u cuz I don't wanna fuck it up as u said...I just don't know how to handle this situation...cuz I really like this guy and I do not want to loose him cuz of that..
