Re: [REDACTED] v. Jeffrey Epstein

Mr. Critton:

[REDACTED], who was born [REDACTED], was taken to Mr. Epstein's house initially by [REDACTED] in the summer or fall of 2002 when she was [REDACTED] years old. She subsequently went to Mr. Epstein's home on approximately 15 occasions over the next couple years. On the first occasion, [REDACTED] told her that it would be nothing more than a massage and that she would be paid. She informed [REDACTED] that she had no massage experience, and [REDACTED] told her that didn't matter.

On the first occasion, [REDACTED] was lead upstairs to Mr. Epstein's bedroom where he appeared naked and requested that she begin massaging him. During this first visit, Mr. Epstein asked her age and she truthfully told him that she was [REDACTED] years old. She further discussed with him that she was attending [REDACTED] High School. During the 15 times [REDACTED] was with Mr. Epstein at his house, he told her that she was special to him and even promised to buy her a computer at one point.

Each visit began as a naked massage and at some point Mr. Epstein would turn over onto his back and begin masturbating. He told her to pinch his nipples as he masturbated himself and touched and fondled [REDACTED] sexual parts; each encounter ended after Mr. Epstein ejaculated. As time went on, Mr. Epstein became more aggressive in his sexual demands and attempts. He paid [REDACTED] \$300 per visit, and each time he *at least* committed the crime of Lewd and Lascivious Molestation. He offered to pay her more money for intercourse or oral sex, although [REDACTED] refused. At [REDACTED] years old, [REDACTED] moved away from [REDACTED] to escape from this routine that she felt Mr. Epstein forced upon her. [REDACTED] was never contacted by the FBI and was not named in the NPA - presumably because she moved away from the area.

Over the years, she has tried to forget this period of time in her life, but it has caused her extreme emotional trauma that has not subsided. She wishes to pursue action against Mr. Epstein. However, before doing so she is willing to resolve her case at this time for an amount that reasonably compensates her for the permanent psychological injuries she suffered.

Since you and I have been involved in related cases, and both of us understand the pros and cons of the variations of these particular cases, I would like to convey that [REDACTED] will make a better than average witness in all respects. As such, we hereby demand \$350,000.00.

This tender shall be made payable to Farmer, Jaffe, Weissing, Edwards, Fistos & Lehrman, P.L., for the benefit of [REDACTED], with no other named payee.

Very truly yours,

Bradley Edwards, Esq.
