can you scan the part of the original d contract and send to mark,, or , at least today , to be followed with a faxed copy of the original. type out the contract regarding the add ons that were included , but were added incorrectly to the new contract.. thanks, I understand that each time we find an error , it has yet to be in our favor. so benign carelessness seems less and less likely. as at least some of the errors should be on our side if these were strictly random, how can 75k be training for one pilot. slot?
