i think the other guy should be asked who he represents. get his name and details ,, turn him away, or have the police there. Rich have Brian manning confirm in writing that his buyer that he represents is steve cohen.

I can call the community affairs department or office at the local police precinct and see what our rights are. Do we have anything in writing stating that Brian Manning is not representing Steve Cohan from Steve Cohan. I think that this would be key to press charges other wise The party trying to gain access can act like it is a big misunderstanding with their office and get away with it. I would think we need that proof in writing to proceed in pressing charges for false entry. Richard

brian manning from brown harris says he is represeting steve cohen,, he is not. this is either thieves or investigators trying to get into the house. I Think we might call the police, tell them that some bad guys are trying to get into the house under false pretenses. have them there when manning and bad guys show. thoughts?
