I just asked Brice that question and he told me that you told him to match the existing one's and Sarah and Sue were there at the time.

Please let me know if I should put a stop on these because they are to be shipped next week.

These were already ordered and everyone's credit card had no room and they asked me to put it on mine.

Thank you

Jeffery,

The cost of the 13 fans and 13 Downrods is \$ 4,930.68 and estimate for Tropical would be about \$ 500 based on the amount of space they would take in a container
